

HOCKLEY HEATH PARISH NEIGHBOURHOOD PLAN

Business Survey 2026

Dear Business Owner

The Neighbourhood Plan Steering Group are currently working on developing a Neighbourhood Plan for the parish of Hockley Heath. It is a complex and lengthy process that can take up to two years but will inform and guide the direction and priorities we take to influence planning in Hockley Heath Parish over the next 10 years.

Once approved the Neighbourhood Plan will have legal status in influencing what we want for Hockley Heath and the policies we incorporate into the plan will increase the level of control our community has over any developments that take place and expenditure of any community funds that become available.

A questionnaire was recently sent to all residents to gain their views, but equally we need to ensure the views of any businesses within Hockley Heath are fully accounted for and that we have a complete understanding of our local economy.

This business survey is your chance to have a say about the future of Hockley Heath.

Please complete your survey and respond online (or return it in the prepaid envelope) before

Friday 4th September 2026

All the information you provide will be processed by an independent third party (Stratford District Council), who will aggregate the responses to create a summary analysis. Comments made will be listed but will not be attributed to individual businesses. This approach has been deliberately taken so that you can be assured that your responses are anonymous and cannot be identified to you individually. We are legally bound under the GDPR regulations to advise you of your rights, how we process and retain personal data and for what reason. To view the HHPC GDPR policy in full please visit www.hockleyheathparishcouncil.gov.uk.

Your response to the questionnaire can be completed online here:
<https://online1.snapsurveys.com/HockleyHeathBusiness26>

Alternatively, the questionnaires can be posted (in a sealed envelope) directly to an independent company for processing. Stratford-on-Avon District Council (who do work in this field) will undertake the analysis and write the final report.
